The Rome YMCA has Grizzard Park for soccer tournaments. There are nine soccer fields of various sizes, three lighted baseball fields, two at 210' and one at 300'; and two softball fields. A large parking area of 400+ spaces and three smaller ones of almost 100 spaces service the park. There are two bathroom facilities, a concession stand, and a 50 person meeting room. The YMCA does not allow tobacco or alcohol at Grizzard Park. The frontage (Griffin) road is city owned and has space for more parking. It provides Etowah river boat access.
